FROM OUR CHAPLAIN

As we go into the month of March things are looking up. With the new rules in place the Post will be opening. I know a lot of us are looking for a place to go to relax.

We must still remember why we joined this organization. We still need to reach out to those Veterans who are still somewhat home bound and make sure that they are well.

One thing that has come up is a Korean War Memorial. It is going to be placed at the Spokane Veterans Arena. It will be in proximity to the Illuminating Courage Memorial. This has been something that has been in the wings for some time, but due to COVID-19 has been placed on hold. It is hoped that this can be completed by Memorial Day.

Another project is the refurbishing and cleaning up of the Vietnam Memorial in Riverfront Park. It is hoped this will be done by Veterans Day.

Yours in Comradeship

Wes Anderson Post and
District Chaplain
